Introduction

Nirdhar Sevabhavi Sanstha is registered non-profit organization has continued its mission of empowering communities through education and skill development during the year 2022–23. With a modest financial outlay and efficient resource utilization, the organization successfully initiated impactful interventions at the school level as well as in women's livelihood promotion.

Vision

To build an inclusive and empowered society where every child has access to education, every woman is self-reliant, and every youth has the skills and opportunities to lead a dignified life.

Mission

- To promote quality education and reduce inequalities in learning among marginalized children.
- To strengthen women's empowerment through awareness, leadership development, and participation in decision-making.
- To provide skill development and livelihood opportunities for women and youth, ensuring economic independence.
- To collaborate with communities, government bodies, and organizations for sustainable social development.

To foster values of equality, dignity, and service across all initiatives

Objective-

1. Education for All

- To promote access to quality education among children, adolescents, and marginalized communities.
- To run supplementary classes, digital literacy programs, and libraries for underprivileged children.
- To reduce school dropout rates through awareness campaigns, parent–teacher interactions, and bridge courses.

2. Women Empowerment

- To encourage women's participation in decision-making at household and community levels.
- To conduct awareness sessions on health, rights, leadership, and financial literacy.
- To strengthen women's self-help groups (SHGs) and support their entrepreneurial initiatives.

3. Skill Development & Livelihood Training

- To provide vocational and skill-based training (tailoring, handicrafts, computer literacy, etc.) for unemployed youth and women.
- To link trained beneficiaries with livelihood opportunities, micro-enterprises, and local industries.
- To establish training-cum-production centers to promote self-reliance and income generation.

4. Social Development & Awareness

- To promote gender equality, social justice, and sustainable community development.
- To organize health camps, sanitation drives, and awareness campaigns on issues like nutrition, hygiene, and environment.

To collaborate with government schemes, CSR initiatives, and partner NGOs for better outreach and impact

- Funds were utilized effectively to initiate small-scale but sustainable interventions in education and women's empowerment.

Key Activities and Achievements

1. Educational Kit-School Level Intervention- Golden valley English medium school, Narhe.

- Distributed specially designed educational kits to school children from underprivileged backgrounds.

- The kits included essential learning materials such as notebooks, stationery, activity-based learning tools, and awareness content.

- Reached 02 number of schools and 150 number of students.
- Teachers reported improved classroom engagement and participation among students.
- Parents expressed that the kits helped reduce the financial burden of school supplies.

2. Women Skilling Activities

- Initiated skill development programs for 100 women with a focus on sustainable livelihoods.
- Conducted training workshops in areas such as tailoring, handicrafts, and basic financial literacy.
- Around **100 number of women** participated in the programs.

- Post-training, several women began using their skills for supplementary household income.
- Confidence and decision-making abilities among participants showed visible improvement.

Impact

- Enhanced access to learning resources for school children.
- Reduced dropout risk by making education more engaging and affordable.
- Empowered women with skills leading to economic independence.
- Strengthened community confidence in collective action and self-reliance.

Conclusion

Despite limited financial resources, Nirdhar Sevabhavi Sanstha effectively implemented its planned interventions. The year 2022–23 highlighted that even small-scale investments can create meaningful change when directed towards education and women's empowerment. Going forward, the organization aims to expand its outreach, seek partnerships, and mobilize additional resources to deepen its impact.
